- Pr Kip will be the temporary hospitality coordinator until the fall. When volunteers come, they can check in with him.
- Pr Kip will be working on a brochure to let people know what is expected of hospitality and areas to volunteer. What is expected from everyone that volunteers.
- **Toiletry Drive to begin in September.** Spread the word NU will be putting together toiletry kits for our neighbors. **Faith groups start collecting, trial sizes of shampoo, toothpaste, deodorant, razors, soap and other items.** There will be bags for both women & men. Also needed are socks.
- Neighbors United T-shirts. Joe will be checking w. some businesses to see if they would want to donate t-shirts. Volunteers could wear the shirts at the Community Meals.
- Community Meal Training/Education Seminar. Pastor Kip, Kevin Marik, Cait and Brittany will come together to provide a night where we can learn more about relating to the neighbors and go over some training guidelines for the community meals.

Neighbors United, bringing the area inter-faith community together in service to the local neighborhood.
